You have indicated that you plan to participate in the activities of the annual Foreign Student Weekend and that you wish to travel to and from Des Moines on the University of Northern Iowa bus which has been arranged for. In order that you may make adequate plans, I am sending you the schedule for the departure and return, weather permitting. Please note these few details carefully.

The University bus will leave Cedar Falls from the 23rd Street entrance to the Bartlett Hall parking lot (marked in red on the enclosed map) at 7:15 a.m. on Saturday, February 3, 1968. The north door of the Auditorium Building (also indicated in red on the enclosed map) will be open in order that you may wait under shelter if you should arrive before the time of departure.

On Sunday, February 4, 1968, the bus will leave the KRNT Theater in Des Moines at 4:30 p.m., immediately following the International Fiesta, and should return to the Bartlett Hall parking lot at about 6:45 p.m. The Auditorium Building may be used by those who must wait either for the bus or for pick-up cars.

A few of you have told me that your plans are still uncertain. If you decide to join us, you will need the information I have given. If any of you change your plans, please telephone me either at my home or office as soon as possible. If it should be necessary for you to reach me by telephone on Saturday morning, February 3, you may call my home before 7:00 a.m. or 266-1721, Extension 7441 between 7:00 a.m. and the departure time of 7:15 a.m.

Because we do not plan to make any stops between Cedar Falls and Des Moines I suggest that you eat your breakfast before you come to the bus on Saturday morning. Those of you who do not have kitchen facilities should plan to have some food in your room because there is no convenient food service in the immediate area at that early hour.

In Des Moines you may leave word at Hotel Savery if you must communicate with me.

Saturday afternoon we visited John Deere factory, in the evening we went dancing. Sunday morning we went to a Methodist church, in the afternoon an event at KRNT Theater.
